Education

Northern Virginia Community College
Associates of Engineering

August 2023 - June 2025
Annandale, VA

- **GPA:** 3.8 of 4.0
- **Relevant Coursework:** Intro to Engineering, Object-oriented programming, Calculus 2
- **Transfer:** Looking to transfer to a 4-year university

Marshall High School
High School Diploma

August 2021 - June 2023
Falls Church, VA

Experience

AutoDog
Developer

December 2023 - Present

- Developing a smart dog harness to boost efficiency of dog trainer
- Programmed sensor calibration sequence and React Native Application
- Built a production page and website

Gryphon Robotics
Programming Captain

September 2021 - June 2023

- Led a team of 20 high school students in the fabrication of a custom robot to compete in the FIRST Robotics Competition
- The robotics team was designed the robot entirely in Onshape

Jump Robotics
Co-Founder

October 2019 - May 2021

- Co-founded a community robotics team and built an FRC robot
- Learned CAD, robotics programming, and design.

Kids Teach Tech
Lead Teacher

November 2017 - May 2020

- Joined as 2nd member of a non-profit aimed at teaching coding to underprivileged kids
- Taught basic Python, Scratch and HTML to 500+ kids across the bay area

ADHD College Success
Mobile Developer

May 2022 - August 2022

- Created a front-end app with interactive games to connect therapists with their patients
- Connected the app to a backend Firebase database to store user data

Projects

Machine Learning Characters Used Python Tensorflow to create AI NPC's for video games — November 2022
Carngie Mellon Hackathon Fetched data from Google Cloud APIs to create analytics for users with medical conditions — Feburary 2024
Zoom Meeting Joiner Developed a Python bot that reads excel files and joins meetings automatically — March 2021
Georgetown Hackathon Created a predictive model of emissions for 5 modes of transportation using various API and data — January 2024

Awards

Presidential Volunteer Service Award - Gold Volunteered for over 100 hours in 1 year — October 2021
Phi Theta Kappa Member Inducted into an international honor society of students — December 2023
2nd Place in Science Fair Placed in schoolwide science fair for researching propulsion effciency of paddle boat — March 2022
Herblock Scholarship Recipient Received scholarship for academic merit — November 2023

Activities

Society of Physics Students Learn, research, and discuss physics topics — August 2023-Present
NOVA Engineering Society Create projects with fellow engineering members — August 2023-Present

Skills & Interests

Communication Extensive experience creating classes and public speaking
Skills Java, Python Machine Learning with Tensorflow, Data Analytics with SQL, C#, and Reactjs
Tools Unity Game Engine, Blender, Onshape, and Fusion360
Interests Ultimate Frisbee, Basketball, Learning, Developing Games
